Celebrating 49 Years of Service to Connecticut Surgeons!

Uniting Surgeons To Advance Patient Care In Connecticut

A Message from the CTACSPA President Kimberly Davis, MD, MBA, FACS

Welcome to the 49th Annual Meeting of the Connecticut Chapter of the ACS, which is being held on October 20th at the Hartford Marriott in Farmington. We are pleased to host our annual meeting jointly with the Connecticut Surgical Quality Collaborative and the Connecticut Chapter of the American Society of Metabolic and Bariatric Surgery.

We enjoy a successful partnership with the CT State Medical Society (CSMS), who provide legislative support to the Chapter. With their assistance, we took the Definition of Surgery through the CT Scope of Practice Review Process. Given the legislative gridlock in Hartford, we were not able to get a bill raised. Thank you to Past President Kathy LaVornga for her hard work on this effort. Our legislative efforts will continue. We are proud to be a grant recipient from the ACS Board of Governors to co-sponsor this year's Doctors' Day at the Capitol with the CSMS. We also sent a delegation that included surgical residents to DC to participate in the College's Annual Leadership and Advocacy Summit.

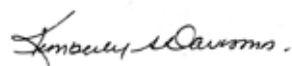

The Connecticut Surgical Quality Collaborative (CtSQC), Inc., a group of all 28 acute care hospitals in CT, continues to make strides with its Enhanced Recovery After Surgery (ERAS) initiative and is working to implement protocols to minimize the use of opioids in surgery. The CtSQC members had numerous presentations at the summer ACS NSQIP meeting and are hosting a paper competition at the Chapter meeting this year.

Our meeting agenda features Gerald Healy, MD, FACS, Past President of the ACS, who will present the Foster Lecture, The DASH is What It's Really All About! With over 32,000 Twitter followers, Joseph Sakran, MD, FACS will discuss the pros and cons of social media for surgeons. Our paper resident paper competitions will include over 50 residents research papers. Our meeting day will end with the 10th anniversary Surgical Skills Competition, an impressive milestone for the organization!

On behalf of the membership, I extend a hearty thank you to our industry partners for their generous support. Special kudos to the Program Committee, co-chairs Royd Fukumoto, MD, FACS and Adrian Maung, MD, FACS, for an interesting and innovative meeting, and special thanks to Christopher Tasik, our Executive Director, for his tireless efforts putting our meeting together.

Finally, an appreciation to the management and staff of the Hartford Marriott in Farmington for having us once again as their guest for this meeting. I look forward to seeing all of you at the Annual Meeting on October 20th..

Sincerely,

Kimberly Davis, MD, MBA, FACS
President, CTACSPA
