Celebrating 50 Years of Service to Connecticut Surgeons!
Uniting Surgeons To Advance Patient Care In Connecticut

A Message from the CTACSPA President Kimberly Davis, MD, MBA, FACS

Welcome to the 50th Annual Meeting of the Connecticut Chapter of the ACS, which is being held on October 19th at the Hartford Marriott in Farmington. We are pleased to again host our annual meeting jointly with the Connecticut Surgical Quality Collaborative.

We continue to enjoy a successful partnership with the CT State Medical Society (CSMS), who provide legislative support to the Chapter. Our legislative efforts continue both in state and in Washington DC to educate our leaders about surgeons' needs and respond to legislation that impacts the surgical community in CT. We are proud to be a grant recipient from the ACS Board of Governors to co-sponsor this year's Doctors' Day at the Capitol with the CSMS. We also sent a delegation that included surgical residents to DC to participate in the College's Annual Leadership and Advocacy Summit.

In keeping with our role as educators and care providers, we conducted multiple Stop The Bleed programs at the CT Department of Public Health, at CSMS and throughout CT. With the generous support of Z-Medica of Wallingford, CT, The Connecticut Chapter of the American College of Surgeons, the Connecticut ACS Committee on Trauma, the Connecticut State Medical Society, and The Connecticut Orthopaedic Society we donated two wall mounted Bleeding Control Stations and a Stop the Bleed training kit to DPH on April 25th.

The Connecticut Surgical Quality Collaborative (CtSQC), Inc. encompasses all 28 acute care hospitals in CT. Its initial quality initiative, the Enhanced Recovery After Surgery (ERAS), is up and running. Now the CtSQC is preparing to roll out new protocols at the meeting for treating the geriatric patient population. The CtSQC members had numerous presentations at the summer ACS NSQIP meeting and are hosting a paper competition at the Chapter meeting this year.

Our meeting agenda features presentations by Julie Freischlag, MD, FACS on the need for greater inclusion and diversity in surgery and by Ronnie Rosenthal, MD, FACS in implementing NSQIP-type protocols to improve care in the geriatric surgical population.

Our paper resident paper competitions will include over 50 residents research papers. Our meeting day will end with the 11th anniversary Surgical Skills Competition, an impressive milestone for the organization! We are pleased to announce that we have voted to name the General Surgery Competition in honor of Sultan Ahamed, MD, FACS in recognition of his distinguished care serving the needs of surgeons and patients in Connecticut.

On behalf of the membership, I extend a hearty thank you to our industry partners for their generous support. Special kudos to the Program Committee, co-chairs Royd Fukumoto, MD, FACS and Adrian Maung, MD, FACS, for an interesting and innovative meeting, and special thanks to Christopher Tasik, our Executive Director, for his tireless efforts putting our meeting together.

Finally, an appreciation to the management and staff of the Hartford Marriott in Farmington for having us once again as their guest for this meeting. I look forward to seeing all of you at the Annual Meeting on October 19th.

Sincerely,

CS

Chapter Membership

The CT Chapter of the ACS is dedicated to achieving the highest standards of surgical care through education, mentorship, fellowship and advocacy .

One way we achieve our mission is by providing educational and information programs and opportunities for physicians, residents and students.

We have the following active committees working on your behalf in the state: Committee on Trauma, Commission on Cancer, Quality and Patient Safety, Legislative Affairs, Young Surgeons, Residents, Applicants, Mentoring Program, Bariatric Surgery, Program, Awards, and Senior Surgeons. Your involvement is greatly needed to help maintain this vital organization. In this period of near constant change in the socioeconomic and scientific landscape, it is more important than ever that we speak in a cohesive voice.

All Fellows, Associate Fellows, Candidate group members of the American College of Surgeons and Connecticut residents and surgical fellows are eligible and encouraged to join our group. Please contact our Executive Director, Christopher Tasik (tel: 203-674-0747 or send us an e-mail at info@ctacs.org).

Senior Surgeons Committee

Recognizing the talent, skills and leadership in the ranks of our "Senior Surgeons" the Chapter has brought together a cadre of Fellows who want be engaged with the Chapter and its Residents. We welcome you to join us.

The Committee is open to both practicing and retired surgeons and will be hosting a meeting at 10:00am. The purpose of the meeting is to plan our activities for the upcoming year and to enjoy each others company.

Meeting Highlights & CME Information

CME Information

Accreditation Statement

The Stamford Hospital is accredited by the Connecticut State Medical Society to sponsor continuing medical education for physicians.

Designation Statement:

The Stamford Hospital designates this educational activity for a maximum of 8.0 AMA PRA Category I Credit(s) TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Purpose:

The purpose of this meeting is to provide attendees with a forum for the latest information regarding clinical practice and research in the field of surgery. Surgical Residents have a continued need to improve the research skills and a forum to present their research. Rural surgeons have a need to learn about emerging technologies. There is an on-going need to enhance patient safety and quality of patient care.

Meeting Surveys

Physicians are asked to complete and return a meeting survey to receive CME credits.

Eligibility

The meeting is open to physicians, physician assistants, residents, students, nurses, staff and office personnel.

The CTACSPA reserves the sole right to determine eligibility for participation in this meeting.
